Tryon Arts & Crafts mission is to provide creative opportunities for everyone through education, instruction and expression of heritage and contemporary arts and crafts in a friendly, stimulating and enriching environment.

We are a non-profit organization located in the foothills of western North Carolina. In an effort to enrich our class offerings, we reach out to artist instructors from across the region to share their talents. Classes usually meet for 3 hours a week for 6 weeks. Variations are possible. If you are interested in teaching, please complete the form and return it to the office, so that we can arrange a time to meet with you. Thank you.
