SUPPORT TACS THROUGH MEMBERSHIP

TRYON ARTS & CRAFTS SCHOOL relies on member support to stay in operation, fulfilling our mission to provide creative opportunities for everyone through education, instruction, and expression of heritage and contemporary arts and crafts in a friendly, stimulating and enriching environment.

Whether you are a first-time member or a long-time member, your membership payments are an investment in TACS. The greatest benefit our School can offer in return is our continued year-round education, exhibitions, and public programs in the safety of our state-of-the-art facilities. An investment in TACS ensures that a growing pool of talented and diverse artists from near and far will share and interact with our creative community. In addition to TACS' sustainability, annual members benefit through unique access to artist callings, discounts, tickets, parties, previews, and presales.

We welcome you to join our membership, to share your constructive feedback, and to learn how you can make an even greater difference as a volunteer. Your member cycle lasts one year from the date of payment, at which time you are invited to renew.
